PRO TIPS

- Keep headsets out of direct sunlight.** Sunlight through the lenses can permanently damage a headset in minutes. Play indoors or under cover.
- Start first-timers with Beat Saber or Ocean Rift.** Easy in ten seconds, nobody gets dizzy.
- Match turn length to your crowd.** Longer turns for a small birthday. For big events we scale each experience to under five minutes per station.

BUNDLE VR INTO A BIGGER NIGHT (SAVE 10%)

- Galaxy Battle Night.** Vader Immortal in VR, Battle Royale laser tag, a space movie under the stars.
- Game Day.** VR football and table tennis brackets, Nerf Wars, the big game on the big screen.
- Fright Night.** Spooky VR rated by scare level, Glow Laser Tag, a Halloween movie to finish.

BUILD YOUR LINEUP IN 3 STEPS

- 1. Tell us your crowd.** Ages, headcount and the vibe: calm and creative, competitive, or spooky.
- 2. Pick a pack or request titles.** Choose a themed pack, name specific games, or let our coach build it.
- 3. We load, test and lock it.** Headsets arrive charged, sanitized and set to your lineup.

VR PACKAGES

- Meta Quest VR Headsets.** Drop-Off from \$99 per headset, DIY from \$50. Add a VR Pro host for \$100 per hour.
- Epic VR Zone.** Four headsets inside a 20x20 inflatable arena with two coaches. From \$899 for 2 hours.
